#### **Confirming Your Account**

A verification code will need to be sent to the mobile phone that you provided during the sign-up. You may choose to have the code texted to you, or you may also choose to have a phone call.

- 1. Click on the blue 'Text me a verification code' button or click the blue 'Call me with a verification code.
- 2. Enter the correct 5-digit code that was either texted to you or given to you over the phone.
- Once you have successfully verified your account, you will see a Success screen.
- 4. Click the blue 'Done' button.

## Logging Out of Your Account

- 1. Click on the yahoo icon, the purple circle with the Y! In the center, in the upper lefthand corner of your screen.
- 2. Click manage accounts, below the words "add another mailbox." to display a window with your name and email address.
- On the right side of the window there is a switch to turn off your account. Slide your finger from right to left over the switch to logout.
- Click the back arrow < to the left of manage accounts to go back to the home screen.

## Logging Into Your Account

- 1. Click Sign In on the Yahoo home screen
- 2. Enter your email that you created.
- 3. Click the blue Next button.
- 4. Enter the password that you created. Password is case sensitive.
- 5. Select 'Never For This Website' or 'Not Now' when prompted to save your password to the iPad.
